

All-Purpose Surface Cleaner

Supplies:

Spray Bottle 16 oz. or larger

1 Cup Water

1 Cup Vinegar

5-10 Drops Tea Tree or Lavender Essential Oil

Method:

Fill spray bottle with water to the 8 oz marking, then add vinegar. Next, add 5-10 drops of essential oil. Tighten lid, making sure sprayer nozzle is in the closed, or off position. Shake well to mix. Label spray bottle.

Directions:

Shake before each use. Spray generously onto to solid surfaces to clean and disinfect. Wipe with clean, soft cloth, or paper towel.

Makes 16 fluid oz.

For safety reasons, never reuse bottles of store bought cleaning products.

Do not use on granite, quartz, or marble.
